

The image features a solid green background with a white grid pattern of thin lines. A prominent white horizontal bar spans the width of the image, positioned in the upper third. Centered within this bar is the text "CALL FOR ARTICLES" in a bold, black, sans-serif font. Below the bar, the text "SERIES A: 2021" and "SERIES B: 2021" is displayed in the same bold, black, sans-serif font, with "SERIES A: 2021" positioned above "SERIES B: 2021".

CALL FOR ARTICLES

SERIES A: 2021

SERIES B: 2021

Introduction

Maseno Journal is bi-annual peer-reviewed journals of Maseno University, Kenya published in two series; **Series A:** Humanities and Social Sciences and **Series B:** Basic and Applied Sciences. The Journal is published online and in open access to allow for unrestricted access for researchers across the world in order to increase the visibility and impact of published works. Open access also enhances indexing, retrieval power and eliminates the need for permissions to reproduce and distribute content.

Scope of the Journal

The journal is published in two series:

Series A: Humanities and Social Sciences

Series B: Basic and Applied Sciences

Call for papers: The **Editor- in-Chief** is calling for submissions of articles/full papers/s from professionals, researchers, academia, policy makers, governments, practitioners and students for publication. The publication is on diverse topics that include the following:

Series A: Humanities and Social Sciences: Art and Music; Education; Business and Economics; Sociology; Media and communications studies; Developmental Studies; Gender and Women's Studies; Literature, languages and culture; Regional Studies; Philosophy; Religion; Archaeology; History; Anthropology; Current Issues; Management

Series B: Basic and Applied Sciences : Physics; Chemistry; Biology; Geology; Space science; Astronomy; Materials science; Earth and Environmental Sciences; Biochemistry; Microbiology; Botany; Zoology; Ecology; Engineering; Agricultural sciences; Medicine; Dentistry; Pharmacy

Categories of Articles

The following categories of research articles are published:

1. **Original Research articles:** This category of articles should describe new and carefully confirmed findings. In addition, experimental procedures and/or approach used by the study should be given in sufficient detail for others to verify the work done. The length of a full paper should be the minimum required to describe and interpret the work clearly.
2. **Short Communications:** The journal invites short communications in the form of records of results of complete small investigations or details of new models or hypotheses, innovative approaches and methods, techniques or apparatus.
3. **Reviews:** These may include general reviews or perspectives covering topics of current interest. Reviews manuscripts are also peer reviewed.

Submission of Articles

Researchers and other categories of authors are invited to submit manuscript(s) for publication through this link: <https://journals.maseno.ac.ke>. The Chief Editor's objective is to inform

authors of the decision on their manuscript (s) **within a period of two months from the submission deadline**. The general guidelines to authors and other policy details are available on <https://journals.maseno.ac.ke>. You are required to register on the journal website at <https://journals.maseno.ac.ke> before submitting your manuscript. In case of any queries, contact the editorial team via email on: journals@maseno.ac.ke or call

Submission Timelines

The articles for publication in **the current series (A and B)** should reach the Editor by **30th July, 2021**. Maseno University receives manuscripts for publication throughout the year.
